Critical Service Issue Recall Notice

To:

Our records indicate that you purchased a Bush Hog Model TH4400 and TH4430 Utility Vehicles. VIN No .

This notice is to advise you that a potential problem has been identified with throttle cables on all Bush Hog Models TH4400 and TH4430 Utility Vehicles which could result in a frozen throttle or difficult to operate throttle during cold weather.

This is a potential safety issue because the engine may not return to idle when you take your foot off the accelerator pedal. To prevent the possibility of this situation occurring and causing injury or damage it is imperative that operation of your unit cease immediately if you are operating your unit in cold weather (below freezing) and the unit be returned to your local Bush Hog dealer for inspection and repair. If the unit is not being operated in cold weather, it is still critical that the unit be brought into your local Bush Hog dealer for the repair as soon as possible. Please contact your local Bush Hog dealer to schedule a service appointment.

Bush Hog, LLC will issue you an incentive bonus in the amount of \$50.00 per machine to assure you of our dedication to customer satisfaction as well as reliability.

Please fill out the bottom portion of this letter with your name and address (make corrections if necessary) and return one copy of the entire letter to Bush Hog, LLC with the envelope provided. The second letter copy is for your records.

Your authorized Bush Hog dealer will then submit a warranty claim showing that your throttle cable has been replaced and your check will be issued.

We apologize for any inconvenience that this problem may cause, but are dedicated to resolving issues in a pro-active manner. If you have any questions, please contact our service Department at any of the toll free numbers: (877) 873-0143, (877) 873-0144, (877) 873-0145, (877) 873-0146, or (877) 873-0147.
