Bush Hog Great Performances

Bush Hog Great Performances are stories that serve as examples of Bush Hog's exceptional performance now, and for years to come. They are told by people who have witnessed a Bush Hog product in action. These stories show the reliability and durability of all Bush Hog products.

Story must include:

Name of Owner

The name of the product

When the story occurred

Where the story occurred

A digital photo of the owner with the machinery

Address and phone number of the owner

Dealer verification - dealer should confirm that the story illustrates reliability of the Bush Hog product

Stories should be sent directly to Forward Consulting via email at cwright@forwardconsulting.com.

By submitting materials you are releasing them to be used in any promotion including web, print, audio, or other form, by Bush Hog and/or their affiliates.
